

# *It's Because of God's Grace*

*It's because of God's grace, I'm alive today.*

*It's because of God's grace, I'm alive.*

*It's because of God's grace, I'm alive forevermore.*

*It's because of God's grace my spirit soars.*

*I can live everyday knowing no matter what I've done*

*I am loved, I am treasured and I am saved by His only son.*

*Now I lift my hands in praise, and I see His holy face.*

*It's because, oh it's because of His amazing grace.*

*I can live everyday knowing no matter what I've done*

*I am loved, I am treasured and I am saved by His only son.*

*Now I lift my hands in praise, and I see His holy face.*

*It's because, oh it's because of His amazing grace.*

"It's Because of God's Grace" has become a standard hymn in my book. Hopefully someday it will make it in a hymnal, a dream of mine. The Lord gave me these words when I needed them most. There is absolutely nothing I can do to deserve any type of love and favor from God. It's only because of His grace. In the chorus it says, "I can live everyday knowing no matter what I've done, I am loved, I am treasured and I am saved by His only Son". I am continually comforted by that line. Billy Graham said, "no matter who you are or what you have done, God loves you." It's because of God's amazing grace...
