

# Until Then

Garth had the pleasure of working with many of the old time country and western stars through our old producer and friend, Cliffie Stone. One of those was a songwriter by the name of Stuart Hamblin. He traveled with Billy Graham and had a radio show called "The Cowboy Church." He was one of the most prolific song writers of all time. The hymn he is most remembered by is "It Is No Secret." The song we chose for this album was one of Cliffie's favorite hymns of all times, "Until Then." The words are beautiful. *"And things of earth that cause the heart to tremble, remembered there, will only bring a smile..."* Beautiful.

Old or young, rich or poor, God can work through you to lead the lost, bring comfort to the weary and love to the unloved. Through music we can be refreshed to continue our journey and our closer walk with Jesus. As Martin Luther said, "I have no pleasure in any man who despises music. It is no invention of ours. It is a gift of God. I place it next to theology. Satan hates music. He know how it drives the evil spirit out of us. Beautiful music, if the art of the prophets that can calm the agitations of the soul, it is one to the most magnificent and delightful presents god has given us."
